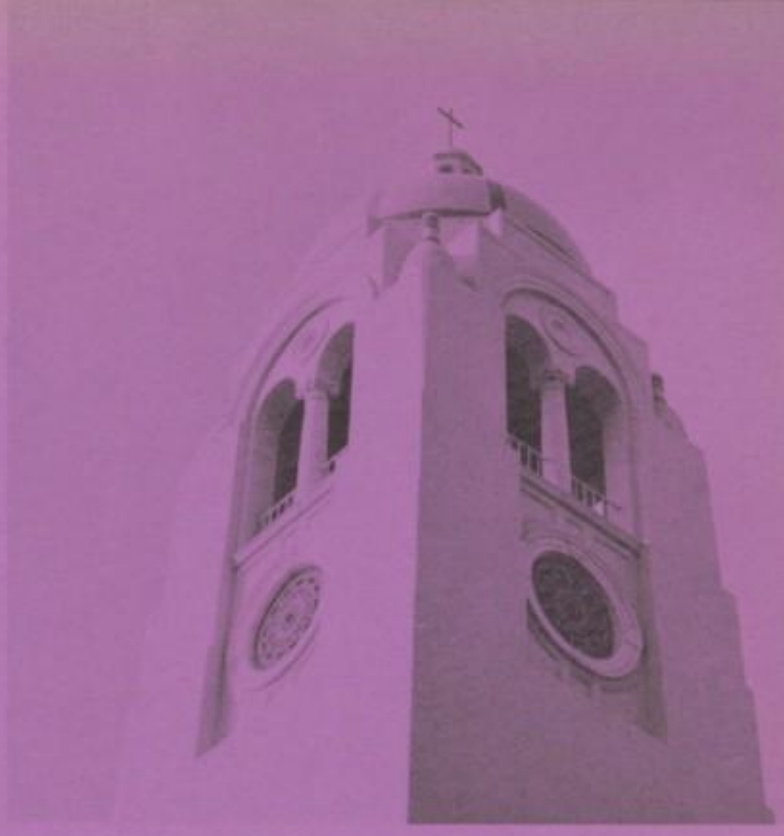
take time to be friendly–
it is the road to happiness
take time to dream
it is hitching your wagon to a star
take time to love and be loved–
it is the privilege of the gods
take time to look around–
it is too short a day to be selfish
take time to laugh–
it is the music of the soul–
old english prayer

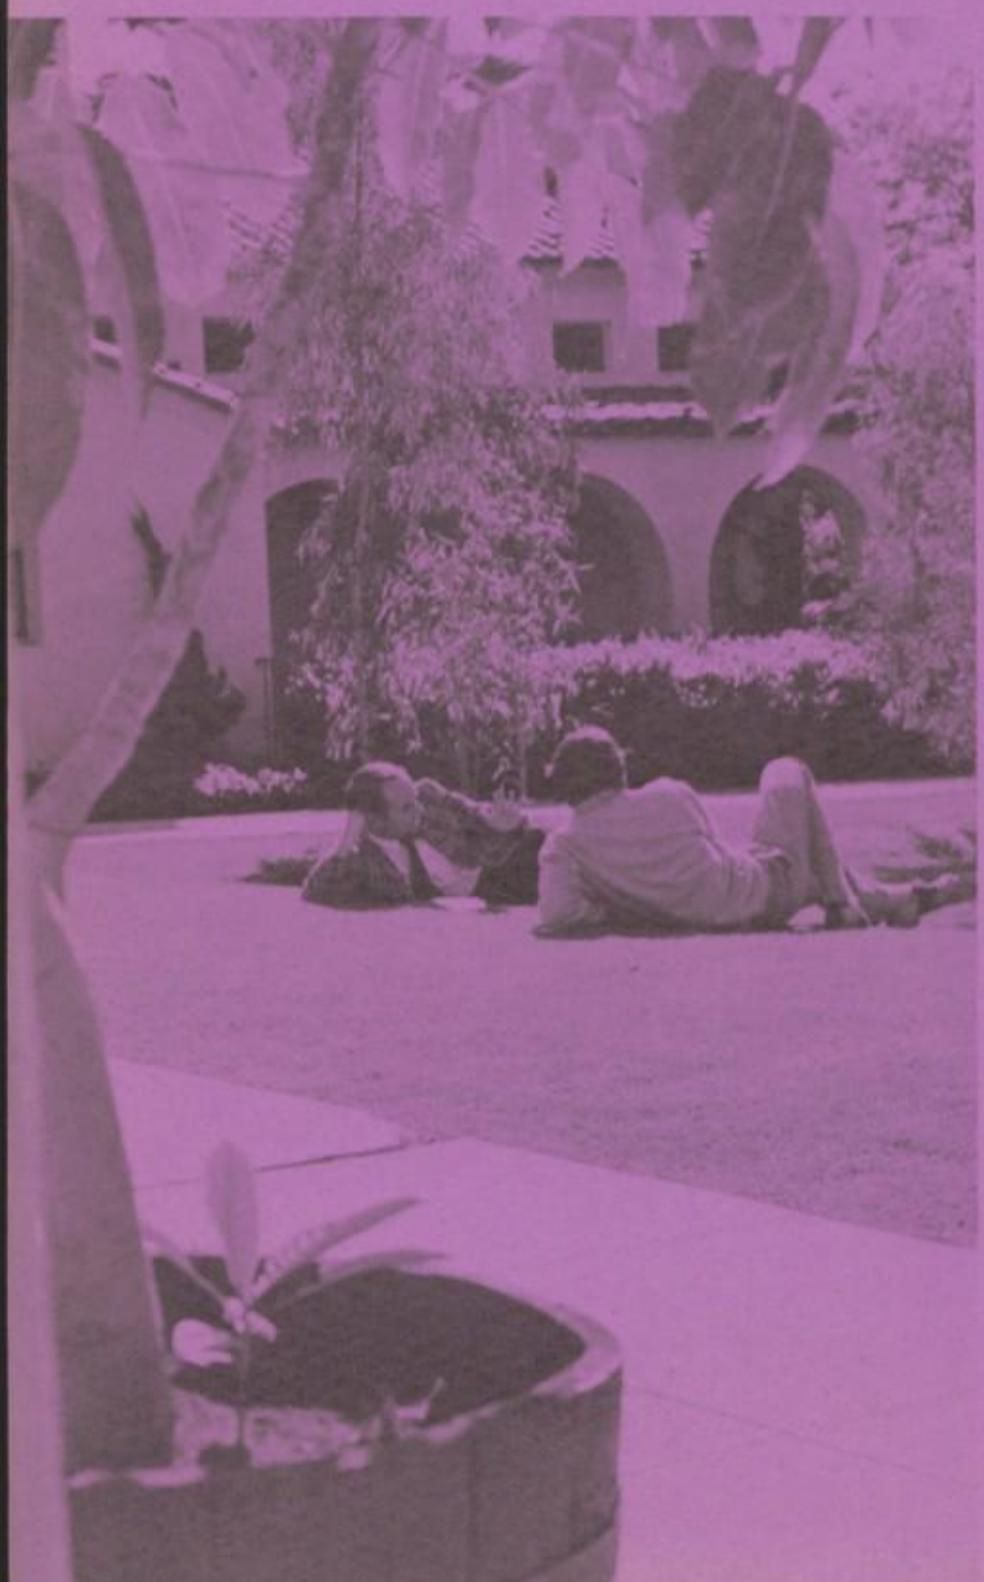


Greater love hath no man than this, that a man lay down his life for his friends. John 15:13

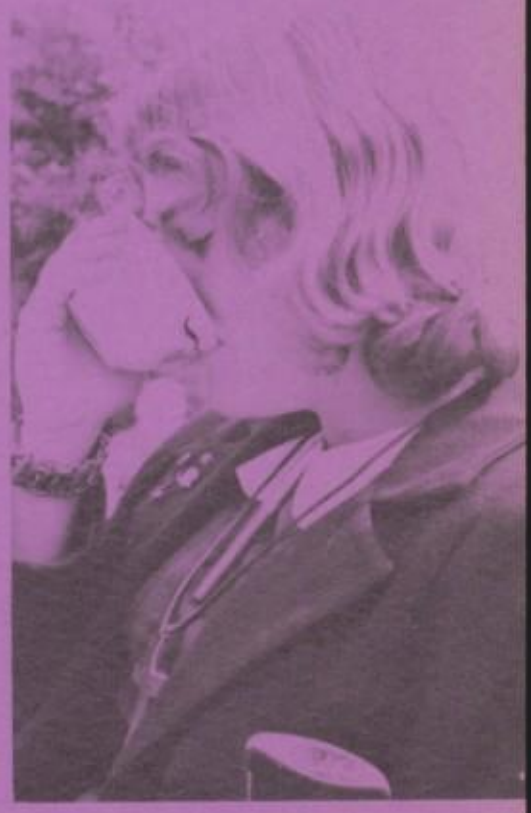
we get by . . .

It is one of the severest tests of friendship to tell your friend his faults. So to love a man that you cannot bear to see a stain upon him, and to speak painful truth through loving words, that is friendship.

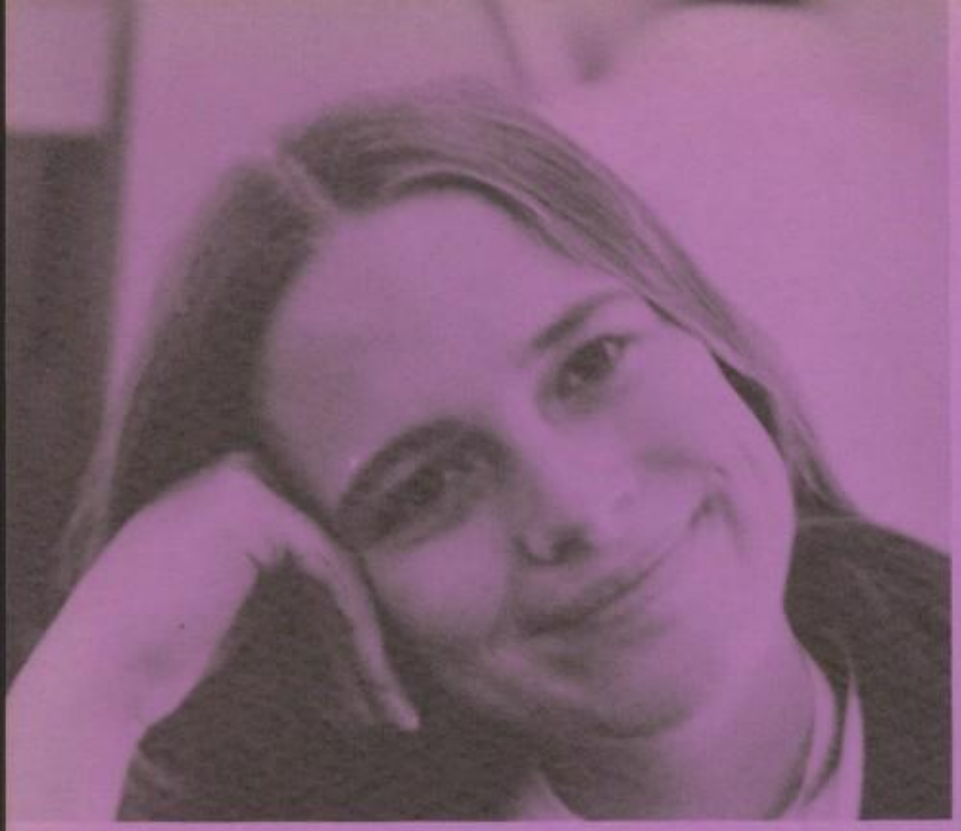
Beecher



The only way to have a friend is to be one.
Emerson

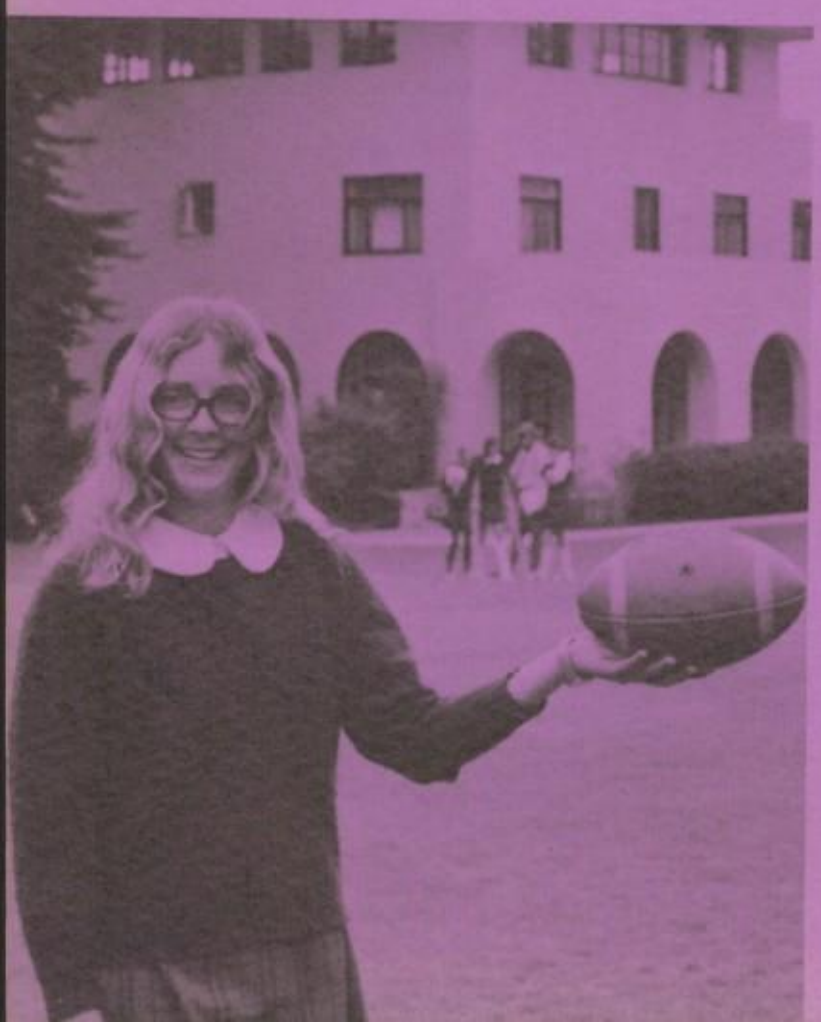


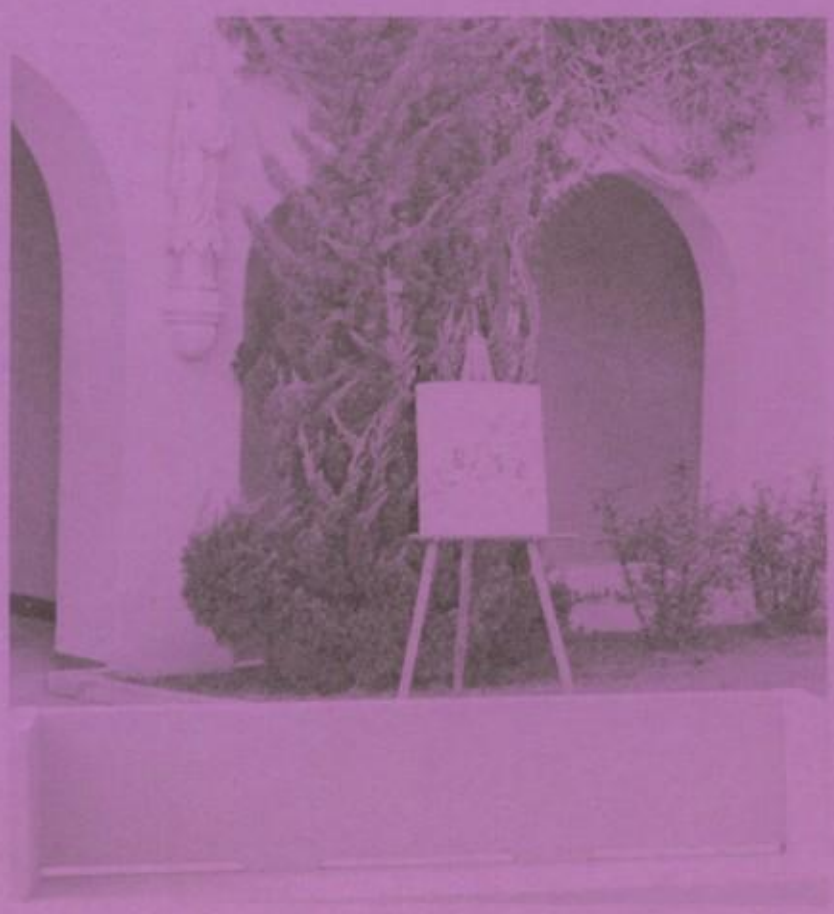
with a little help . . .



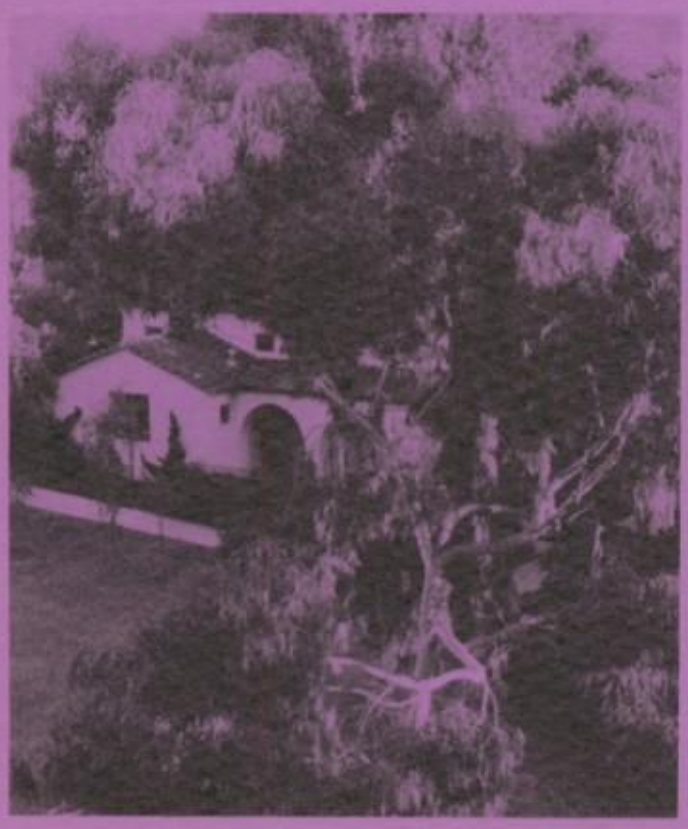
A friend is one to whom one may pour out all the contents of one's heart, chaff and grain together, knowing that the gentlest of hands will take and sift it, keep what is worth keeping and with the breath of kindness blow the rest away.

Arabian Proverb





Count not your ages by years you live
But by the happiness you give,
The friends you make, the good you do,
And the confidence that's placed in you,
The little things that day by day,
Bring cheer to others on life's way.
And count this success another mile,
Upon the road of things, that's worthwhile.



from . . .

I love you not only for what you are,
but for what I am when I am with you.

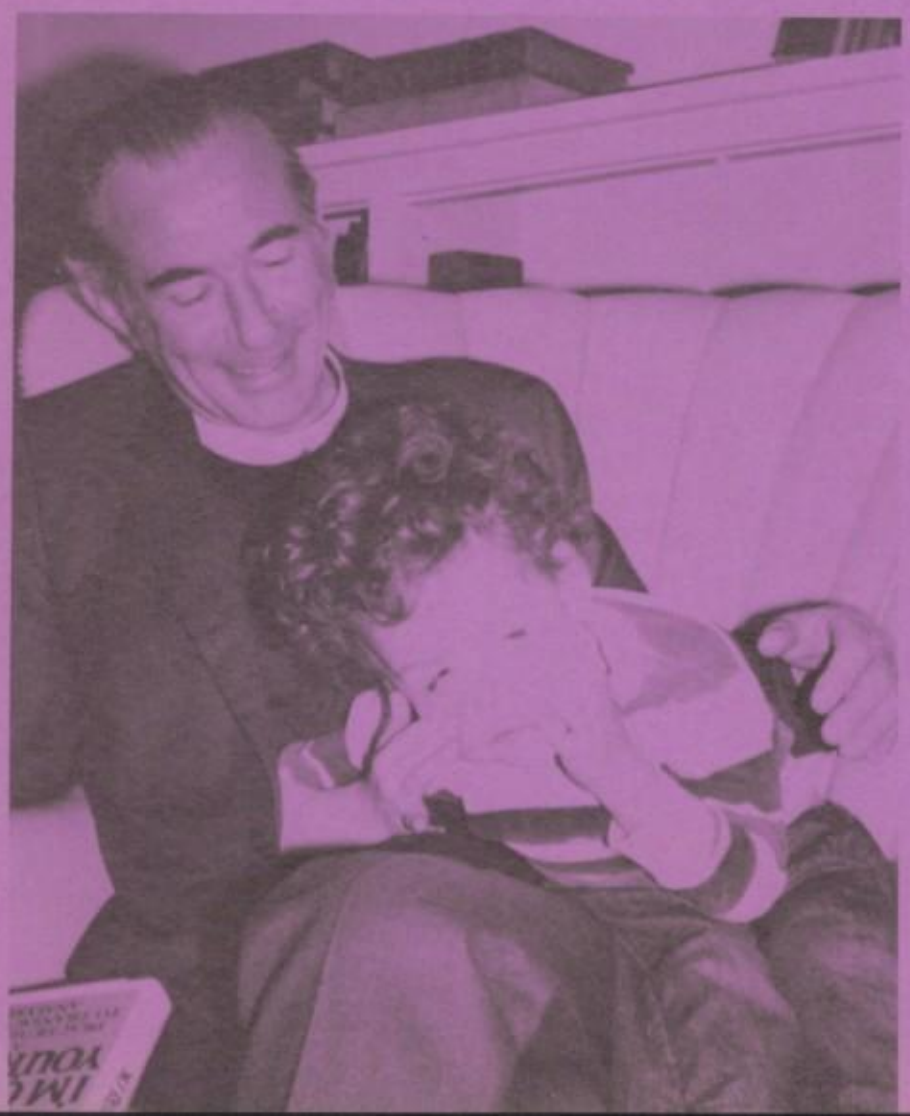
I love you not only for what you have
made of yourself, but for what you are
making of me.

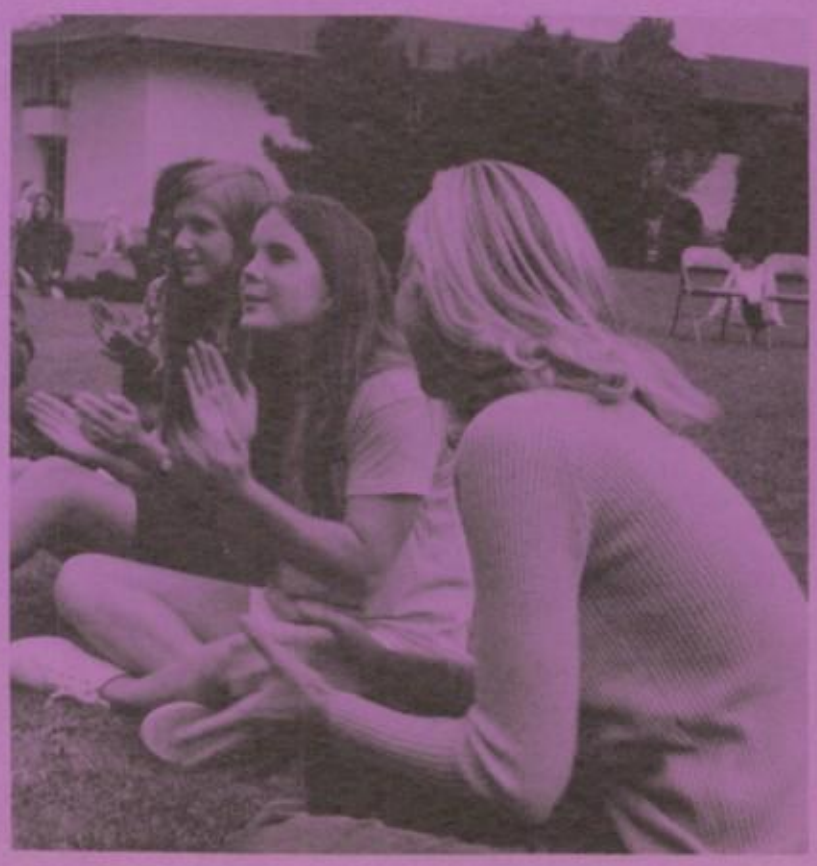
I love you because you have done more
than any creed could have done to make
me good, and more than any fate could
have done to make me happy.

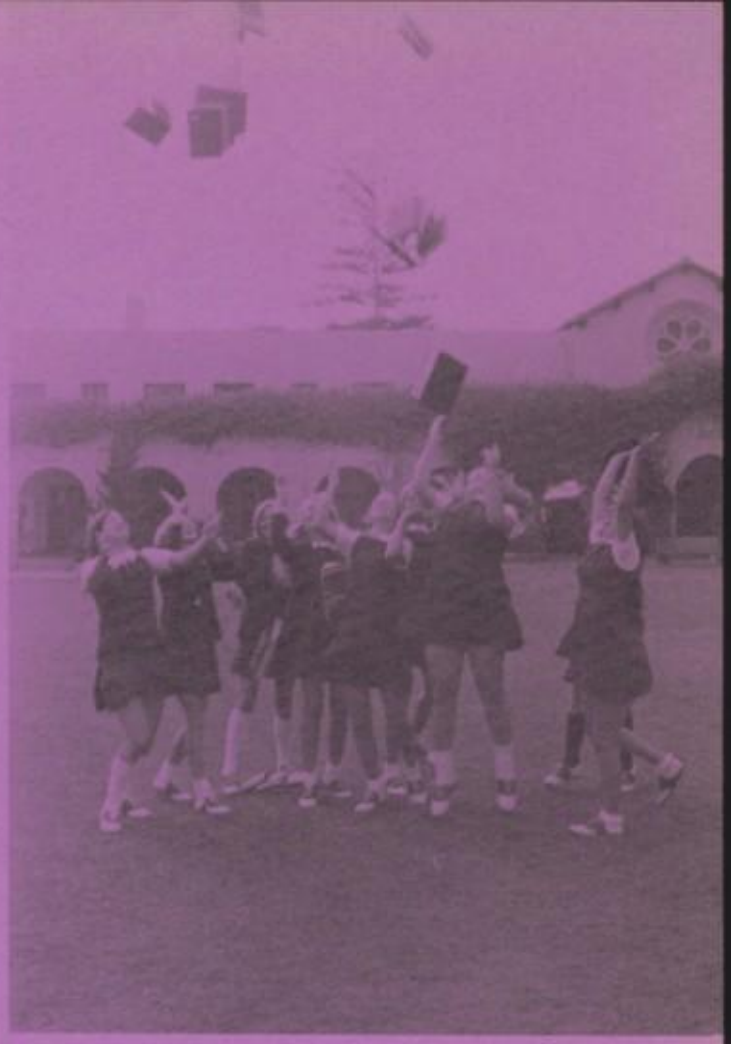
You have done it without a touch, with-
out a word, without a sign.

You have done it by being yourself.
Perhaps that is what being a friend
means, after all.

Anonymous

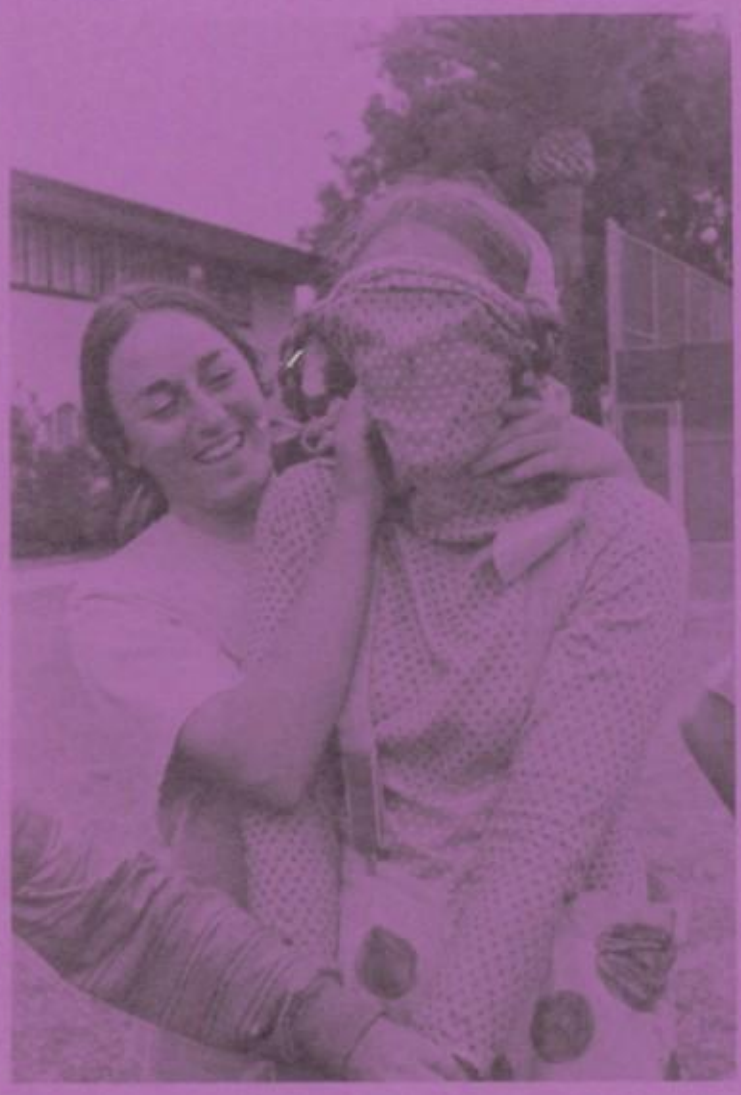




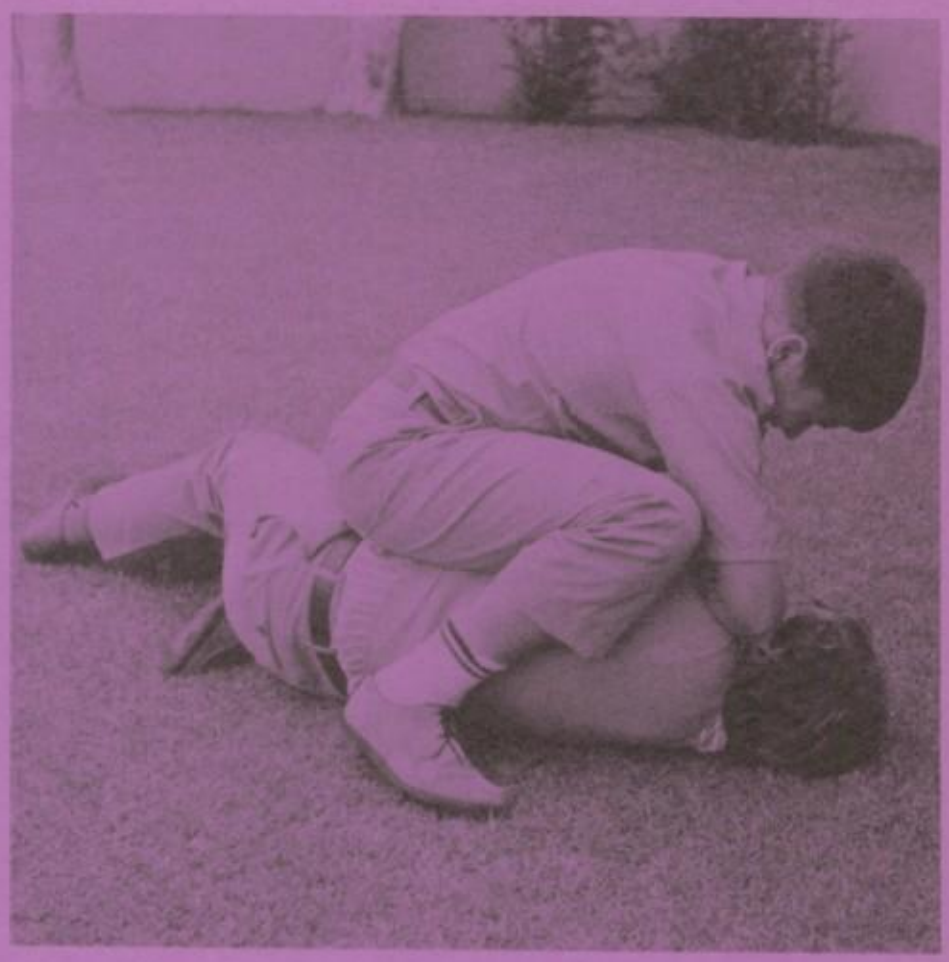


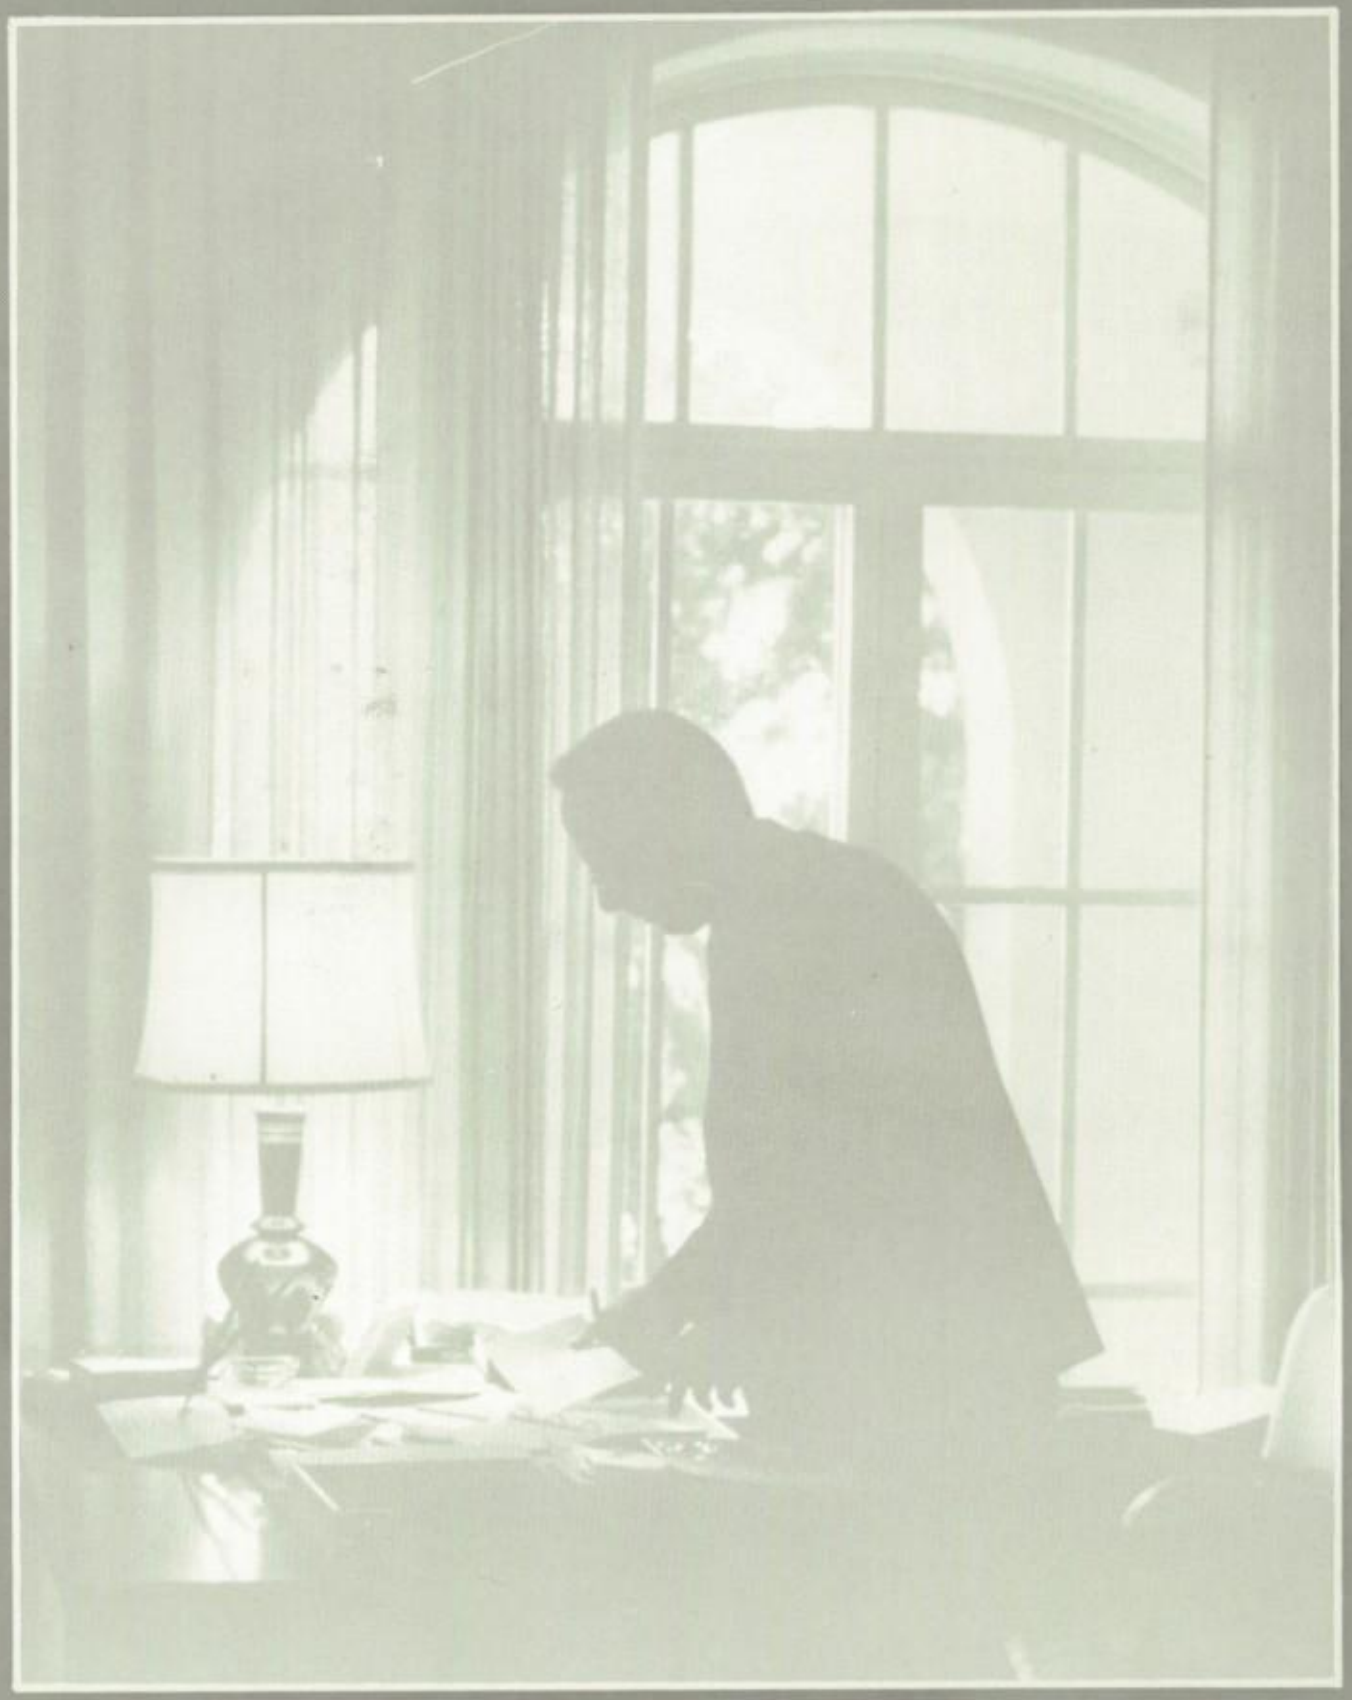
Little friends may prove to be big ones.
Aesop

Friendship improves happiness, and abates misery by doubling our joy, and dividing our grief.
Addison



our friends . . .





If a man does not keep pace
with his companions, perhaps it is because
he hears a different drummer.
Let him step to the music which he hears,
however measured or far away.

We hope that this year will be a year of AWARENESS followed by constructive ACTION; a year of EMPATHY rather than APATHY, of ALTRUISM rather than EGOISM; a year of giving rather than EXPECTING. Most of all we hope it will be a year of SHARING, each of us sharing our knowledge, time, and talents with one another; all of us together sharing the responsibilities and happy times that come with being part of this school.

Soccer Team

Coach: Mr. Sam Manneh

The '71-'72 soccer season saw the San Miguel Knights, Southern League Champions once again. This is Coach Manneh's second first place victory in three years, and prospects look good for the next year as well.

Fred Van Etten, our leading scorer with ten goals, is the first player from the Southern League to be selected for the county all-star team; and five of our other players reached all-league positions on the first team, three on the second.

In 6 games the offense scored 14 goals, the defense let in only 4.

Basketball Team

Coach: Sam Manneh

The San Miguel Basketball Team had a fairly productive season this year. Due to San Miguel's concentration on championship soccer, the Basketball Team won only half of its games. Mike White was named to the first team all-league and placed second in the county with a 26.0 average. Fred Van Etten received honorable mention with a commendable 15.0 average. All things considered, it was a good season.
